## Education

Eminent College of Management and Technology  
Bachelor of Computer Applications (BCA) — 2024–2028  
(Ongoing)

Focus Areas: Computer Science Fundamentals, Data  
Manipulation, Programming

Gobardanga Khantura High School

Higher Secondary Education (Class 11–12) — 2022–2024

- Class 11 Marks: 350/500
- Class 12 (Higher Secondary): 384/500

Madhyamik (Secondary) — Class 10 — 2021–2022

- Marks Obtained: 496/700

Primary Education

Khantura Girls' Primary School — 2012–2015 (Class 1–4)

## Work Experience

Currently Seeking Opportunities

Eager to gain real-world experience through internships  
or entry-level projects in data science or programming.

---

## Skills & Interests

- Technical Skills:
  - Programming Basics
  - Data Analysis & Manipulation
  - Interest in Machine Learning & AI
- Soft Skills:
  - Storytelling & Creative Writing
  - Active Listener & Deep Thinker
  - Logical Reasoning
- Personal Interests:
  - Writing and listening to stories
  - Exploring virtual game universes
  - Passion for understanding real-world data

## Strengths

- Deep curiosity about data and the structure of the universe  
Passion for stories — fictional, technical, or game-based  
Self-driven, eager to learn new things

## Areas for Growth

- Tendency to prioritize work above personal well-being (working on balance)

## Future Goals

- Pursue higher education in Data Science
  - Develop data-driven solutions for real-world problems
  - Combine creativity with analytics to build something meaningful
-
